

Thursday 22nd June 2017

Dear Parent

I am writing to let you know that Mr Millne has taken the decision to leave the Headteacher post at Beacon Hill in order to pursue fresh challenges.

The Governors have taken the decision to appoint Mrs Judith Schafer as Executive Headteacher on a permanent basis, and Mr Daniel Gee continues as Deputy Headteacher looking after the school day to day. This enables us to continue the collaboration with Solway School which is working very well, enabling students from both schools to access a wider curriculum than ever before, and expanded extra-curricular activities across both schools.

Mr Millne commented, "it has been a privilege to lead the school as deputy and as Headteacher and I am grateful for all the support of the whole school community. Beacon Hill is in good hands and I wish you all well in the future".

The Governors wish to thank Mr Millne for his sustained and invaluable contribution to the school over many years and wish him all the best in the future, and look forward to Mrs Schafer and the senior leadership team taking the school forward.

A handwritten signature in black ink, appearing to read "Tim Herbert".

Tim Herbert
Chair of Governors
