

29<sup>th</sup> November 2017

Dear parent/carer,

The autumn term reward day is going to be held on Monday 18th December. Those pupils who have met criteria will be invited to take part in a day of activities to celebrate their hard work and good attendance.

The day will also be a 'Christmas Jumper Day' with a £1 donation per family and a food item donation for hampers to be distributed to deserving people in the community.

The continued recognition for those pupils who attend regularly, try hard in class and make good progress is very important to us and we hope you echo our congratulations to those who meet the criteria for this day.

Yours sincerely

Louise Saunders
