Dear Parents/guardians

Dear Parents/Carers

**Year 11 revision after school**

As you will be aware, GCSE exams loom ever closer and staff at school are keen to offer students extra opportunities for revision and support to ensure they do as well as they can in the summer series. Please find below the sessions available this term.

We strongly encourage all students to attend as many evenings as they can; these will form the basis for good revision and study skill habits. However, students are expected to work independently at home in addition to these hours; we would expect Year 11 students to be studying for at least two hours a night from now until the end of term in addition to homework.

Mondays: English 3:00 – 4:00 with Mrs Heaton, Art with Mrs Clitheroe 3:00 – 4:00

Tuesdays: Science 8:00 – 8:30 with Mrs Wamsley

Wednesday: 3:00 – 5:00 general revision and study skills with Mrs Quinn, Art with Mrs Clitheroe 3:00 – 4:00

Thursday: PE, RMT, DT 3:00 – 4:00 with Ms Hedley, Mr Esslemont

Thursday: Maths 3:00 – 4:00 with Ms Laithwaite and Mr Heaton (specific groups to be advised)

I am very grateful to staff for offering students these opportunities and hope you will encourage and support your child to attend as many as possible.

Please do contact me at school should you have any concerns or questions.

Yours sincerely

Judith Schafer

Executive Headteacher
