

5th March 2020

Dear Parents/Carers

Re: Year 9 & 10 Parent, Student and Teacher Evening – Tuesday 24th March

We will be holding a progress evening for the parents and students of Year 9 and 10 on the above evening from 1600 - 1800.

Your child's subject teachers and form tutors will be there to discuss the progress of your child.

We believe that the key to success is the encouragement and support of parents and would encourage all parents/carers to attend. However, if you cannot attend, please telephone the school for an alternative appointment to discuss your child's progress with his/her form tutor.

We do not allocate specific appointment times so parents can attend at any time during the evening. The last appointment will be 5.50pm, so please allow plenty of time to see all the staff.

For Y9 students there will an opportunity to discuss GCSE courses with subject teachers and for parents to ask any questions which may help inform decisions on option choices. All Y9 students will be given option information on the evening and school leadership staff will deliver 'Understanding Options' presentations at 1630 and 1730 which parents of Y9 students are encouraged to attend. Y9 students will also receive input and guidance on options in lessons at school.

Hope to see you there,

Mr Gee

Deputy Head
