

18/5/20

Dear Parent / Carer,

I am writing to involve you in the discussion surrounding the timings of the school day. This may seem bizarre given the current School Closure and Lockdown – though we must plan for a ‘situation as normal,’ school year from September. Though events may ultimately interfere with this we will nevertheless plan for such.

This year it was noted by students that many students entered and left the canteen very quickly at lunch time, and were then often limited in what they had access to engage with – other than play outside or go to the library or IT Club, they often did not have enough to do to keep them occupied. Our student council suggested that we consider adjusting the times of the school day, shortening the time allocated for lunch and in doing so allow for an earlier finish.

As such I am writing to inform you of the suggested changes as detailed below and offer you an opportunity to share your thoughts on this matter in a consultation which will last from 25/5/20 to 8/6/20.

Should you wish to discuss this matter, given the current restrictions, can I ask that you email your thoughts to beaconhill@beaconhill.cumbria.sch.uk. If email is not an option then please respond by putting your thoughts into writing and post them to school.

Thank you,

Mr Gee

Head of School
